# **Guidance Note on Applicability of AS 25 to Interim Financial Results<sup>1</sup>**

*(The following is the text of the 'Guidance Note on Applicability of AS 25 to Interim Financial Results', issued by the Council of the Institute of Chartered Accountants of India. Pursuant to the issuance of this Guidance Note, Accounting Standards Interpretation (ASI) 27 - 'Applicability of AS 25 to Interim Financial Results (Re. AS 25)', stands withdrawn.)*

### **Introduction**

1. This Guidance Note deals with the issue whether Accounting Standard (AS) 25, *Interim Financial Reporting*, is applicable to interim financial results presented by an enterprise pursuant to the requirements of a statute/regulator, for example, quarterly financial results presented under Clause 41 of the Listing Agreement entered into between Stock Exchanges and the listed enterprises.
2. Accounting Standard (AS) 25, *Interim Financial Reporting*, issued by the Council of the Institute of Chartered Accountants of India, came into effect in respect of accounting periods commencing on or after 1-4-2002. If any enterprise is required or elects to prepare and present an interim financial report, it should comply with this Standard (applicability paragraph).
3. AS 25 further provides as follows:

---

<sup>1</sup> This Guidance Note was earlier issued as Accounting Standards Interpretation (ASI) 27, 'Applicability of AS 25 to Interim Financial Results (Re. AS 25)' by the Institute of Chartered Accountants of India (ICAI). While the Accounting Standards notified by the Central Government under the Companies (Accounting Standards) Rules, 2006, have incorporated the 'Consensus' part of various ASIs issued by ICAI, ASI 27 has not been so incorporated as it was felt that it was not relevant to the requirements of the Companies Act, 1956. The Council of the ICAI, accordingly, has decided to withdraw ASI 27 and issue the same as a Guidance Note as it provides appropriate guidance on the subject.

*Applicability of AS 25 to Interim Financial Results*

**“1. This Statement does not mandate which enterprises should be required to present interim financial reports, how frequently, or how soon after the end of an interim period. If an enterprise is required or elects to prepare and present an interim financial report, it should comply with this Statement.**

2. A statute governing an enterprise or a regulator may require an enterprise to prepare and present certain information at an interim date which may be different in form and/or content as required by this Statement. In such a case, the recognition and measurement principles as laid down in this Statement are applied in respect of such information, unless otherwise specified in the statute or by the regulator.”

**“4. The following terms are used in this Statement with the meanings specified:**

.....

***Interim financial report means a financial report containing either a complete set of financial statements or a set of condensed financial statements (as described in this Statement) for an interim period.”***

## **Recommendation**

4. The presentation and disclosure requirements contained in AS 25 should be applied only if an enterprise prepares and presents an ‘interim financial report’ as defined in AS 25. Accordingly, presentation and disclosure requirements contained in AS 25 are not required to be applied in respect of interim financial results (which do not meet the definition of ‘interim financial report’ as per AS 25) presented by an enterprise. For example, quarterly financial results presented under Clause 41 of the Listing Agreement entered into between Stock Exchanges and the listed enterprises do not meet the definition of ‘interim financial report’ as per AS 25. However, the recognition and measurement principles laid down in AS 25 should be applied for recognition and measurement of items contained in such interim financial results.
