**Public Notice No. 24 /2026-27**

**Dated: 03<sup>rd</sup> August, 2026**

**Subject: Inviting TRQ Applications under India–Oman Comprehensive Economic Partnership Agreement (CEPA) for Financial Year (FY) 2026-27 -reg.**

In exercise of the powers conferred under paragraphs 1.03 and 2.04 of the Foreign Trade Policy, 2023, and in continuation of Public Notice No. 20/2026-27 dated 13.07.2026, the Director General of Foreign Trade (DGFT) hereby invites applications for Tariff Rate Quota (TRQ) allocation under the India-Oman CEPA for the FY 2026-27 on the following products from **04.08.2026** up to **19.08.2026**:

**Table 1: List of products under TRQ and the permitted quantities for the year FY 2026-27**

| Sl. No | HS Code  | Description                                                                         | TRQ quantity      |
|--------|----------|-------------------------------------------------------------------------------------|-------------------|
| 1.     | 8041010  | Dates, Fresh                                                                        | 2,000 MT          |
| 2.     | 8041090  | Dates, Other                                                                        |                   |
| 3.     | 25151210 | -Marble and travertine : --- Blocks                                                 | 1,00,000 MT       |
| 4.     | 25151220 | -Marble and travertine : --- Slabs                                                  | 15,00,000 Sq. Mtr |
| 5.     | 29053100 | Ethylene Glycol (Ethanediol)                                                        | 1,50,000 MT       |
| 6.     | 38170011 | Linear Alkylbenzenes                                                                | 1049 MT           |
| 7.     | 39011010 | LLDPE — Ethylene monomer contributes $\geq 95\%$ by weight of total polymer content | 75,000 MT         |
| 8.     | 39011020 | Low Density Polyethylene (LDPE)                                                     |                   |
| 9.     | 39011090 | Other                                                                               |                   |
| 10.    | 39012000 | Polyethylene having a specific gravity of 0.94 or more                              |                   |

|     |          |                                                                              |                   |
|-----|----------|------------------------------------------------------------------------------|-------------------|
| 11. | 39014010 | LLDPE — Ethylene monomer contributes <95% by weight of total polymer content |                   |
| 12. | 39014090 | Other                                                                        |                   |
| 13. | 39019000 | Other                                                                        |                   |
| 14. | 39021000 | Polypropylene                                                                | 10,700 MT         |
| 15. | 39023000 | Propylene Copolymers                                                         |                   |
| 16. | 39029000 | Other                                                                        |                   |
| 17. | 39031990 | Other                                                                        | 34.802 MT         |
| 18. | 39033000 | Acrylonitrile-Butadiene-Styrene (ABS) Copolymers                             | 1.054 MT          |
| 19. | 39041020 | Suspension Grade PVC Resin                                                   | 166.666 MT        |
| 20. | 39041090 | Other                                                                        | 355.937 MT        |
| 21. | 39042100 | Non-Plasticised                                                              | 6.00 MT           |
| 22. | 39076110 | PET Flake (Chip) — viscosity number of 78 ml/g or higher                     | 2,000 MT          |
| 23. | 39076190 | Other Primary Form                                                           |                   |
| 24. | 39076930 | PET Flake (Chip)                                                             |                   |
| 25. | 68022110 | Marble Blocks/Tiles                                                          | 15,00,000 Sq. Mtr |
| 26. | 68022120 | Marble Monumental Stone                                                      |                   |
| 27. | 68022190 | Other                                                                        |                   |
| 28. | 76011010 | Ingots (Aluminium, unwrought, not alloyed)                                   | 30,434.909 MT     |
| 29. | 76012010 | Ingots (Aluminium alloys, unwrought)                                         | 81.296 MT         |
| 30. | 76051100 | Aluminium wire (not alloyed) — cross-sectional dimension exceeds 7 mm        | 199.1 MT          |

2. The imports of the items will be permitted subject to the procedure mentioned in Annexure-VIII of Appendix 2A of the FTP, 2023 (**Refer to Public Notice No. 20/2026-27 dated 13.07.2026**).

 ..

3. Further, the following documents shall be mandatory for allocation of TRQ in respect of the products mentioned hereunder:

- i. **Marble Blocks (at Sl. NO. 3 of Table 1):** The applicant shall submit a valid **Chartered Engineer (CE) Certificate** certifying the installed processing capacity, installation of machinery, and the production undertaken during the preceding three financial years in respect of marble processing. Draft CE Certificate template enclosed at **Annexure-A** may be seen.
- ii. **Marble Slabs (at Sl. NO. 4, 25, 26 and 27 of Table 1):** The applicant shall submit a valid pre-purchase agreement with the Supplier in Oman.
- iii. **Pet Flakes (at Sl. NO. 22, 23 and 24 of Table 1):** The Applicant shall submit NOC from MoEF&CC, in accordance with their O.M. No. 23/66/2019-HSMD dated 23.08.2022.

**Effect of this Public Notice:** New applications for TRQ under **India–Oman Comprehensive Economic Partnership Agreement (CEPA)** for FY 2026-27 are invited from **04<sup>th</sup> August, 2026** up to **19th August 2026**.

**CHARTERED ENGINEER'S CERTIFICATE**  
(For Import of Marble)

Certificate No.: \_\_\_\_\_

Date: \_\_\_\_\_

**1. Particulars of Importer**

- i. Name: \_\_\_\_\_  
 ii. IEC No.: \_\_\_\_\_  
 iii. Address: \_\_\_\_\_

**2. Declaration:** I certify that the manufacturing/processing unit has the following installed processing capacity and machinery:

| Model No. | Date of installation/commissioning | Processing Capacity of Marble Blocks MT/Annum | Installation Date | Whether Machinery is working (Y/N) |
|-----------|------------------------------------|-----------------------------------------------|-------------------|------------------------------------|
|           |                                    |                                               |                   |                                    |
|           |                                    |                                               |                   |                                    |
|           |                                    |                                               |                   |                                    |
|           |                                    |                                               |                   |                                    |

**3. Last three Years Production details**

| Financial Year | Production (MT) |
|----------------|-----------------|
| FY-2023-24     |                 |
| FY-2024-25     |                 |
| FY-2025-26     |                 |

**4. Certification**

Based on examination of records and/or physical inspection, I certify that the above installed processing capacity, machinery installation details, and productions undertaken during the

 ..

preceding three financial years are true and correct. I further certify that the imported goods are Natural Marble and the description and quantity are consistent with the supporting documents.
