

**MASTER CIRCULAR**

**SEBI/ HO/ AFD/ AFD – PoD-2/ P/ CIR/ 2024/40  
May 10,2024**

To,  
All Registered Custodians

Dear Sir / Madam,

**Subject: Master Circular for Custodians**

1. Securities and Exchange Board of India (SEBI), from time to time, has been issuing various circulars/directions to Custodians. In order to enable the stakeholders to have access to the applicable requirements specified in these circulars at one place, the provisions of the said circulars have been consolidated in this Master Circular. The terms not defined in this Master Circular shall have the same meaning as provided under the act or the regulations, as the case maybe.
2. In addition to the requirements specified under this Master Circular, the custodians shall be required to independently comply with the other requirements specified by SEBI for market intermediaries such as the 'Levy of Goods & Services Tax (GST) on the fees payable to SEBI', 'Approach to securities market data access and terms of usage of data provided by data sources in Indian securities market', 'Digital mode of payment', 'Information regarding Grievance Redressal Mechanism' and 'Guidelines on Outsourcing of Activities by Intermediaries', etc.
3. With respect to any other directions or guidance issued by SEBI, as specifically applicable to Custodians, the same shall continue to remain in force in addition to the provisions of this Master Circular or any other law for the time being in force.
4. This Master Circular shall come into force from the date of its issue. The circulars mentioned in **Annexure A** of the Master Circular shall stand rescinded with effect from the date of issuance of this Master Circular.
5. Notwithstanding such rescission,
  - a. anything done or any action taken or purported to have been done or taken under the rescinded circulars, including registrations or approvals granted, fees collected, registration or approval suspended or cancelled, any inspection or investigation or enquiry or adjudication commenced or show-cause notice issued, prior to such rescission, shall be deemed to have been done or taken under the corresponding provisions of this Master Circular;

- b. any application made to SEBI under the rescinded circulars, prior to such rescission, and pending before it shall be deemed to have been made under the corresponding provisions of this Master Circular;
  - c. the previous operation of the rescinded circulars or anything duly done or suffered thereunder, any right, privilege, obligation or liability acquired, accrued or incurred under the rescinded circulars, any penalty, incurred in respect of any violation committed against the rescinded circulars, or any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty as aforesaid, shall remain unaffected as if the rescinded circulars have never been rescinded.
6. This Master Circular is issued in exercise of powers conferred under Section 11(1) of the Securities and Exchange Board of India Act, 1992 to protect the interests of investors in securities and to promote the development of, and to regulate the securities market.
7. This Master Circular is available on the SEBI website at <https://www.sebi.gov.in/> under the category “Legal→Master Circulars”.

**Yours faithfully**

Vikash Narnoli  
Deputy General Manager

## CHAPTER I

### ONLINE REGISTRATION MECHANISM FOR CUSTODIAN

For online registration, applicant can access SEBI Intermediary Portal (<https://siportal.sebi.gov.in>) to submit the applications for registration as a Custodian under the provisions of Securities and Exchange Board of India (Custodian) Regulations, 1996 (“**Custodian Regulations**”). Link for SEBI Intermediary Portal is also available on SEBI website - [www.sebi.gov.in](http://www.sebi.gov.in).

All applicants desirous of seeking registration as a Custodian are now required to submit their applications online only, through SEBI Intermediary Portal at <https://siportal.sebi.gov.in>. The Custodian seeking approval as Designated Depository Participant (DDP) in terms of Regulation 10 of Securities and Exchange Board of India ([Foreign Portfolio Investors](#)) Regulations, 2019 (“**FPI Regulations**”) shall also apply through this portal.

In case of any queries and clarifications with regard to the SEBI Intermediary Portal, intermediaries may contact SEBI portal helpline on 022-26449364 or may write at [portalhelp@sebi.gov.in](mailto:portalhelp@sebi.gov.in).

#### Uniform Norms and Practices for Custodians

- Custodians are an integral part of the securities market and have an important role to play in the institutional segment of the market. Their role is crucial in the effective functioning of the securities clearing and settlement system. It is therefore, important that the custodians follow uniform norms and practices in their dealing with their clients, brokers, stock exchanges and depositories.
- Custodians must function as an integral part of the system and integrate with the system. Therefore, no custodians shall have such norms and practices as would result in their functioning in isolation of clearing and settlement systems.
- Custodians must be a member of the clearing houses/ clearing corporations of the stock exchange(s) and participate in the clearing and settlement process through the clearing house/clearing corporation for all securities of their clients.
- Custodians shall comply with the applicable rules of the exchanges where they have become members of the clearing house/clearing corporation. This would facilitate the operations of the clients, and also result in reduction of cost of service for the client.

**CHAPTER II**

**FEES FOR CUSTODIANS**

**Format of payment of annual fee at the end of the Financial Year (on or before 30<sup>th</sup> April)**

Payment of annual fee by Custodians to SEBI shall be made in terms of Second Schedule of Custodian Regulations. The payment of annual fee shall be accompanied by a statement of assets under custody as per below format and shall be certified to be true and complete by the functional head of the custody services of the custodian.

**Annual fee based on asset under management for previous financial year:**

Month	Market Value (in INR Crore)					Charge
	Equity	Debt	VRR	Hybrid	Total	
Apr						
May						
Jun						
Jul						
Aug						
Sep						
Oct						
Nov						
Dec						
Jan						
Feb						
Mar						
Total						

### CHAPTER III

#### SPECIFICATIONS OF VAULTS WITH CUSTODIANS

Custodians hold securities of considerable value on behalf of their clients. It is expected that they would take adequate measures to ensure safety of the assets held. Reserve Bank of India (RBI) specifications for construction of vaults can be referred as per the following notification: [Reserve Bank of India - Notification regarding Minimum Standards for a Currency Chest \(RBI/2018-19/166; DCM \(CC\) No. 2482/03.39.01/2018-19 dated April 8, 2019\)](#).

Adherence to other extant technical specifications issued by RBI vide DCM (CC) No G-18/03.39.01/2008-09 dated November 14, 2008 relating to construction, etc. can be found at **Annexure B**.

Custodians shall submit the specifications of their vaults along with their size as part of their quarterly report.

**SUBMISSION OF REPORTS BY CUSTODIANS**

Custodians are required to email the reports mentioned at points 1 to 8 below to [custodianreports@sebi.gov.in](mailto:custodianreports@sebi.gov.in) and upload them on the SEBI portal wherever applicable. The reports mentioned at point 9 shall be emailed to [ai\\_cust@sebi.gov.in](mailto:ai_cust@sebi.gov.in)

**1. Daily Trade details of FPI in equity, debt & Hybrid**

Custodians on a daily basis are required to report details of transactions entered into by the FPI. The daily investment reports shall be submitted to SEBI by 3:00 p.m. Custodians are advised to strictly adhere to the above deadline of 3.00 p.m. as SEBI shall be imposing penalty on defaulting custodians.

**Section A: General instructions:**

These are general instructions to be followed by the custodians while compiling and submitting daily reports to SEBI.

1. The date format to be used for all reports submitted to SEBI would be DD-MM-YYYY.
2. Custodians must ensure that the data submitted is accurate and complete and does not contain any blank or incomplete records.
3. All transactions will have a unique transaction identification number (ID) which would be given by the custodians at their end. Custodians are free to give any ID as per their own system. It should however be ensured that the ID is not repeated.
4. To avoid any confusion regarding the name of the security, International Securities Identification Number (ISIN) codes should be used. The appropriate ISINs for scrips as applicable for the physical and demat form, etc. are to be used. Some of the sites where list of ISIN codes are available are mentioned below:

[www.sebi.gov.in](http://www.sebi.gov.in), [www.nsdl.co.in](http://www.nsdl.co.in), [www.rbi.org.in](http://www.rbi.org.in)

**Section B: Reporting of Equity Transactions**

**Daily Reports {DTR}:**

1. The FPI transactions are to be reported to SEBI through daily reports. Custodians would submit a Daily Transaction Report (DTR) along with the Daily Transaction Summary (DTS) in specified formats. The form and order of fields of DTR, DTS, field description and widths etc. are enclosed as **Annexure C and D** respectively. The format of DTR is given in **Annexure E**.
2. The DTR and DTS would be submitted in soft forms in xml format.
3. The registration number of FPI in the DTR should be the same as those given by SEBI.
4. Transactions in unlisted securities and securities which may not have ISIN codes may be reported by mentioning NO\_ISIN in the ISIN field. (The purpose of ISIN in the report is to identify the company and not any particular series of shares. Wherever an ISIN for a specific series of shares

is not available, a previously known and available ISIN for the same share may be used). However, every effort should be made to report the transaction with the ISIN code.

5. The transactions should be reported at the exact transaction price and charges such as brokerage/service tax etc. should be excluded.
6. The data in the DTR and the DTS should be reconciled by the custodian before submission. In case the data does not tally, it would not be possible to load the same. The custodians are therefore advised to ensure proper supervision at their end while uploading the reports.
7. In case of transactions where the trades do not involve an exchange and broker, the exchange code and the broker code in the DTR should be 99 and 999999999999 respectively.
8. The nature of transaction for obligation square off would be same as the appropriate code for square off i.e. code 13 or 14.
9. **Subscription in public/preferential/rights issues:** Applications made for allotment of securities in a public/preferential/rights issue need not be reported. Such transactions are to be reported only on allotment and to the extent of actual allotment received. Similar procedure is to be followed in respect of lodgment of shares in open offers, buybacks etc. Custodians may devise appropriate internal procedures to record lodgment of applications / securities etc.
10. **Reporting of merger/amalgamation/splitting of shares:** The reporting should be done on the basis of credit of shares to the clients account.
11. **Debenture Conversion:** In case of debenture conversion into equity, the reduction in value of debenture should be shown as a sale transaction in debt report with transaction code (08). The acquisition of equity should be reported as a conversion transaction (which would be deemed as a purchase) in the equity report at conversion rate giving transaction code as (06). The net investment as on that date would generally be nil. Efforts should be made to report both legs of the transaction on the same day. However, in case any cash is either received or given, the same should be added to the rate field in sale and purchase trades appropriately.
12. **Merger/Amalgamation cases:** In a merger, the existing shares are exchanged for the shares of resulting entity after the merger. Thus, the first leg of the trade has to be a sale of the shares which have been surrendered to the company, where the price of shares would be nil, and the Nature of trade 16. In case cash is received by the client, the same should be incorporated in the price. The second leg of the trade would be the receipt of the new shares, again at a nil value and the Nature of Trade as 07. In case the client receives debt security also along with shares, then there would be another purchase transaction (with code 07 again) with price nil.
13. **Buyback of shares and Open Offers:** The shares accepted by the company are to be shown as sale with nature of transaction as 11 for buybacks and 09 for open offers. The rate of buyback / open offer may be appropriately incorporated. If fresh shares are also received along with the cash, then this receipt of shares is to be shown as a transaction with nature of transaction code as 07. In case the client receives debt security also along with shares/cash, the following may be followed: The equity shares lodged will be shown at full value received i.e. cash received plus the value of debt component. Then there would be another purchase transaction in the debt report (with code 06) with the acquisition rate.

*E.g.: if a company offers to buyback / make an open offer to buy securities @ INR 150/- per share comprising cash component of INR 50/- cash and a debt instrument of INR 100/- face value, then*

*the equity report will reflect full value received as INR 150/- and the debt report will show a purchase of debt instrument @ INR100/-.*

14. **Splitting of shares:** The quantity of shares which are getting split should be reported as sale with the nature of transaction code as 15. The quantity of shares which are received should be reported as purchase, with nature of transaction code as 07. The price field in both the records would be zero.
15. **Warrants:** Warrants when allotted shall be reported with the appropriate purchase code. At the time of sale in open market they have to be reported as sale with code 04 and stock exchange and broker code as 99 and 9999999999 respectively. In case the warrants are exercised, the transaction of warrants should be shown as a sale at code 08 with the rate as the original purchase value of the warrants. The shares or securities allotted pursuant to exercise of warrants may be reported as a purchase with code 05 with the total exercise price as the rate. In case, the warrants lapse/expire, the transaction should be shown under code 17.

*For example, suppose one warrant was purchased for INR 100. The purchase has to be reported appropriately. If the warrant is subsequently sold at INR 105, it has to be shown under code 04 and value INR 105. If the warrant is exercised to subscribe equity shares @INR 1000 each, the transaction of exercise of warrants should be reported under code 08 with value INR 100 and a corresponding purchase of equity shares @ INR 1000 under code 05. In case the warrant is not exercised and it lapses, it has to be reported under code 17 with zero value.*

### **Section C: Reporting of Debt transactions**

1. The format for the debt 'Daily Debt Transaction Report' (DDR) and 'Daily Debt Transaction Summary' (DDS) would be the same as the formats for the equity DTR and DTS.
2. The operational guidelines are as under:
  - a) Some instruments are traded just like equity i.e. price for each unit of debenture / bond is quoted. In such cases, the quantity may be quoted as "actual number of units" transacted.  
  
In such cases transactions may be reported in the same manner as in equity. The transaction quantity and transaction rate fields would contain the actual quantity and rate.
  - b) Some instruments like government dated securities, Treasury bills, government loans etc. are quoted on a base of "Rs. 100". Instruments like Treasury Bills, Dated Government securities, Government loans, certain types of corporate / institutional bonds etc. are generally traded on a Rs 100 basis. It is observed that an instrument which is quoted on a Rs. 100 basis is traded in all markets in such a manner.
3. For reporting transactions in these kind of securities, the transaction quantity may be quoted in terms of gross value of debt (i.e. face value of debt) that the seller is offering and not in "number" terms like equity. The transaction rate field would contain the actual market quote of the instrument (this quote will be for a INR 100 value of the security). The system would compute the transaction value in such cases as:

Transaction quantity \* Transaction rate/100

4. Custodians are advised to strictly follow the above methodology for reporting of transactions in such securities
  - i. The securities name in the debt report should encompass the entire details of the securities, i.e., coupon rate, issuer, maturity, series, other features, etc.
  - ii. The interest portion and any other charge/commission has to be excluded from the debt trade report.
  - iii. The nature of transaction for debt securities will be the same as that for equity as given in Annexure D.
  - iv. In case of nature of transaction where the trades may not involve an exchange and broker the exchange code and the broker code in the DTR should be 99 and 999999999999 respectively.
  - v. In case of any amendment of the transactions, the amended transaction is to be reported again with same Transaction Identity No. and Reporting Type as: Amendment (the appropriate codes as given in the annexure are to be used in the soft copy of the report). In case of deletion of a transaction, the transaction be reported with same Trade ID and Reporting Type as: Deletion.
  - vi. In case of debenture conversion into equity, the reduction in value of debenture to be shown with value as a sale transaction with transaction code (08) in the debt file. This transaction would be balanced with the acquisition of equity to be reported in the equity file as a conversion transaction (which would be deemed as a purchase) at conversion rate with transaction code (06). However, in case any cash is either received or given, the same should be added to the rate field in sale and purchase trades respectively.

#### **Section D: Amendment / deletion of transactions:**

1. In case of any amendment of the transactions, the amended transaction may be reported again with same Transaction Identity No. and Reporting Type as: Amendment (the appropriate codes as given in the annexure are to be used in the soft copy of the report).
2. In case of deletion of a transaction, the transaction be reported with same Trade ID and Reporting Type as: Deletion. A statement may be submitted in case of amendment / cancellation of transactions mentioning the reasons therefor.
3. All amendments / deletions should be reported on the day when information about the same is received by the custodian. Delay in reporting would be viewed seriously.

a. **Sub-division of contracts** is to be reported as two transactions as indicated below:

- i. First transaction would be amendment of original transaction, should generally contain the larger of the quantity divided and would contain A in the R\_Type field and R\_Change as 07
- ii. The second transaction would be reported with a new ID, with the remainder quantity with N as the R\_Type, but in the R\_Change field the code would not be 00 but 07 again.
- iii. Similarly, if there are three or more sub divisions, the same may be reported as per the above paras.

- b. Similarly, in case of **consolidation of contracts**, there would be two transactions as indicated below.
- i. First transaction would be amendment of the first original transaction and contain the consolidated quantity, would contain A in R-type and code 08 for consolidation in the R\_Change field.
  - ii. The second transaction would relate to the deletion of the second original transaction, rest of the details same as the original transaction and in the R\_type field it would contain D and the R\_Change as 08.
  - iii. Similarly, if there is third, fourth or more contracts which have been consolidated and reported as above, in 14(i), then all those are also be deleted the same may be reported as per the above paras.
- c. It has been observed that on many occasions, reports are received late or are incomplete or are submitted with different parameters than prescribed. This result in problems and delay in compilation of data. It is therefore suggested that all reports should be duly verified before submission. SEBI shall be monitoring the quality of reports being submitted and action may be taken against erring custodians.

#### **Section E: Hybrid Instruments and Voluntary Retention Route (VRR) investment:**

1. Custodians shall report transactions on a daily basis in hybrid instruments and under VRR in a separate excel file.
2. This excel file shall be sent as a separate email to custodianreports@sebi.gov.in with the subject "FPI investments in hybrid instruments". The file naming convention shall be "FPI-Hybrid-  
<date>.xlsx" where date is in dd-mm-yyyy format. Those custodians who do not have any transactions to report for the day need not send an email for nil reporting.

#### **Section F: Reporting of Trades on Holidays:**

There are occasions when SEBI is closed on account of holiday, but the exchanges being a nationwide trading network are open for trading. For such occasions, custodians are requested to submit separate reports - one would be the normal report and the other for the holiday. Care must be taken not to submit a consolidated report, but different reports with proper reporting dates.

#### **LIST OF ANNEXURES**

ANNEXURE	DESCRIPTION
<b>C</b>	Order and parameter of Fields for the Daily Transaction Report
<b>D</b>	Daily Transaction Summary
<b>E</b>	Daily Transaction Report
<b>F</b>	Nature of Transaction Codes
<b>G</b>	Stock Exchange Codes and Settlement Codes
<b>H</b>	Type of Instrument codes, Reason for Delay and Reporting Type
<b>I</b>	Reasons for Amendment / Deletion of Trades
<b>J</b>	Format for Issuance of ISIN for Unlisted Securities

2. ISIN wise Assets under Custody (AUC) report

Custodians shall report ISIN wise AUC details of FPIs, on a fortnightly basis by the 2<sup>nd</sup> working day of the end of each fortnight. Based on these reports, fortnightly Sector-wise FPI investment data is being disseminated on the websites of NSDL and CDSL. These reports are available on NSDL and CDSL on below weblink:

NSDL: [https://www.fpi.nsdl.co.in/web/Reports/FPI\\_Fortnightly\\_Selection.aspx](https://www.fpi.nsdl.co.in/web/Reports/FPI_Fortnightly_Selection.aspx)

CDSL : [Fortnightly Sector-wise FII Investment data \(cdslindia.com\)](https://www.cdslindia.com/fortnightly-sector-wise-fii-investment-data)

The format of the ISIN wise AUC report to be submitted by custodians is enclosed as **Annexure K**.

For fortnightly AUC for hybrid instruments and under VRR, custodians shall report as a separate excel file, via email only, to custodianreports@sebi.gov.in. The format for reporting AUC remains the same.

3. Fortnightly debt trades reporting

With a view to monitor the allocation and utilization of limits for Government and Corporate debt and Upper Tier II instruments, the custodians are advised to submit fortnightly reports to SEBI in the format enclosed in **Annexure L**.

4. Submission of Monthly Reports

Custodians should provide the market value of the securities held in custody with them along with other details on a monthly basis in the requisite format. The market value on the last day of each month may be submitted in the specified format. The custodians shall submit the following monthly reports latest by either the end of the third working day of the succeeding month or the 5th of the succeeding month, whichever is later, as per the reporting format at **Annexure M**.

Sl. No.	Monthly Reports
A	Category wise AUC data for all clients (FPI/FDI/MF etc.)
B	Category wise AUC data for FPIs
C	Country wise AUC data for FPIs
D	Report of short sales by FPIs for the Month #
E	ADR / GDR - Dual fungibility report
F	Change of Custodian details during the month

# The said report (i.e Report of short sales by FPIs for the Month) shall be uploaded within 15 calendar days from the end of each month. Custodians shall submit the report on SEBI Intermediary Portal (SI Portal).

The Assets Under Custody (AUC) is being disseminated on the websites of NSDL and CDSL as under:

NSDL: <https://www.fpi.nsdl.co.in/web/Reports/ReportsListing.aspx>

CDSL: [FPI Statistics \(cdslindia.com\)](https://www.cdslindia.com/fpi-statistics)

5. For monthly AUC for hybrid instruments and under VRR, custodians shall report as a separate excel file, via email only, to [custodianreports@sebi.gov.in](mailto:custodianreports@sebi.gov.in). The format for reporting AUC remains the same. Maturity-wise breakup of holdings in debt securities  
Custodians shall report details of original maturity wise breakup & residual maturity-wise breakup of FPI holdings in debt securities as on every month end to SEBI by the 5<sup>th</sup> day of the next month.

The format of the reports to be submitted by custodians is enclosed as **Annexure N**.

#### 6. Custodian Quarterly Report

Custodians are required to submit below periodic information relating to their operations on quarterly basis.

- i. General Particulars including Name, Address, Custodian Registration No., Contact details
- ii. List of other registrations held with SEBI
- iii. List of other associate / subsidiary companies operating in the securities markets, their activities and registration numbers
- iv. Network of the Custodian
- v. Detail of changes in infrastructure facilities e.g. change / addition / reduction of office, computers, vault capacity, key employees etc.
- vi. Details of clients and corpus
- vii. Details of clients / accounts added / deleted during last 3 months
- viii. Trade statistics for the quarter
- ix. Specifications and size of the vault
- x. Compliance with respect to display of information related to grievance redressal mechanism, publishing of investor charter and disclosure of complaints on the website of the Custodian

The format of the quarterly reports to be submitted by custodians is enclosed as **Annexure O**. Custodians shall submit the reports on SEBI Intermediary Portal (SI Portal). The reports shall be uploaded within 15 calendar days from the end of each quarter.

#### 7. Net worth details

In order to monitor the fulfillment of capital requirements, all custodians are advised to submit a certified copy of their audited annual accounts / annual report along with a networth certificate signed by a practicing chartered accountant annually to SEBI within six months of close of each financial year. Custodians shall submit the report on SEBI Intermediary Portal (SI Portal).

#### 8. Annual Review Report

Regulation 14 of the Custodian Regulations stipulates an annual review of the systems, procedures & controls of the custodian by an expert. This review covers the systems and procedures being followed by the custodian to meet its obligations towards its clients, regulators and other relevant bodies.

A copy of the review report, in this regard, is required to be filed with SEBI annually. The report for a particular calendar year would be filed by 31<sup>st</sup> March of the following year along with 'Action Taken Report', if any. Custodians shall submit the report on SEBI Intermediary Portal (SI Portal).

Further, this review report should also cover the aspect of reporting of FPI transactions to SEBI and RBI as stipulated vide Regulation 25 of the FPI Regulations.

## 9. Reporting for Artificial Intelligence (AI) and Machine Learning (ML) applications and systems offered and used by DDPs/ Custodians

### Background

- i. There is increasing usage of AI (Artificial Intelligence) and ML (Machine Learning) as product offerings by DDPs/ Custodian of Securities (e.g.: “query processing”) in investor and consumer facing products. SEBI is creating an inventory of the AI/ ML landscape in the Indian financial markets to gain an in-depth understanding of the adoption of such technologies in the markets and to ensure preparedness for any AI/ ML policies that may arise in the future.
- ii. As most AI/ ML systems are black boxes and their behavior cannot be easily quantified, it is imperative to ensure that any advertised financial benefit owing to these technologies in investor facing financial products offered by intermediaries should not constitute to misrepresentation.

### Scope definition

- iii. Any set of applications/ software/ programs/ executable/ systems (computer systems) – cumulatively called application and systems,
  - a) that are offered to investors (individuals and institutions) by market intermediaries to facilitate investing and trading, OR
  - b) to disseminate investments strategies and advice, OR
  - c) to carry out compliance operations / activities,  
where AI/ ML is portrayed as a part of the public product offering or under usage for compliance or management purposes, is included in the scope of this circular. Here, “AI” / “ML” refers to the terms “Artificial Intelligence” and “Machine Learning” used as a part of the product offerings. In order to make the scope of this circular inclusive of various AI and ML technologies in use, the scope also covers Fin-Tech and Reg-Tech initiatives undertaken by market participants that involve AI and ML.
- iv. Technologies that are considered to be categorized as AI and ML technologies, are explained in Annexure O.

### Regulatory requirements

- v. All Custodians / Designated Depository Participants (‘DDPs’) offering or using applications or systems as defined in **Annexure P**, should participate in the reporting process by completing the AI / ML reporting form (see **Annexure Q**). Those Custodians /DDPs who are not using application or system as defined in Annexure P shall submit a 'NIL' report. The AI/ML report

shall be filed with SEBI on half yearly basis. Custodians /DDPs shall submit the report on SEBI Intermediary Portal (SI Portal).

- vi. Custodian/ DDPs using AI or ML based application or system as defined in Annexure P, are required to fill in the form (Annexure Q) and submit the same to the Board. The said report shall be submitted in soft copy only to SEBI at ai\_cust@sebi.gov.in (for Custodians) or ai\_ddp@sebi.gov.in (for DDPs).
- vii. Custodians/DDPs shall report data to depositories/market intermediaries for the purpose of monitoring/compilation as advised by SEBI from time to time.

CHAPTER V

**Publishing of Investor Charter and Disclosure of Complaints by Custodians on their websites**

- i. In order to facilitate awareness among investors about the details of activities carried and services provided by Custodians, SEBI after due consultation has developed Investor Charters for Custodians which inter-alia deals with services provided to investors with timelines and general guidance for Investors.
- ii. In this regard, all the registered Custodians shall take necessary steps to bring the Investor Charter, as provided in “**Annexure-R**”, to the notice of their clients and ensure that the Investor Charter is prominently displayed on their respective website for ease of accessibility of investors.
- iii. Additionally, in order to bring about transparency in the Investor Grievance Redressal Mechanism, it has been decided that all Custodians and DDPs shall disclose on their respective websites, the monthly data on complaints received and redressal thereof, latest by 7<sup>th</sup> of the succeeding month, as per the format provided in “**Annexure-S**”.

Compliance with the above, shall be reported in the Quarterly report submitted by the Custodians.

**Annexure A - List of rescinded Circulars**

<b>Sr. No.</b>	<b>Date</b>	<b>Circular No.</b>	<b>Title</b>
